Legislation Introduced at City Council Meeting of October 8, 2014

Note: This summary does not include local liquor moratoriums, routine traffic matters, zoning map changes, grants of privilege in the public way, waivers, refunds or routine SSA matters.
Ward identifications are based on the map passed September 2012, as amended.

| Clerk's # | Sponsor(s) | Ward(s) Affected | Assigned to Committee on | Topic(s); Key Word(s); Code §; Summary |
|---|---|---------------------|-------------------------------|---|
| <u>Part 1: Municipal Code Amendments</u> | | | | |
| O2014-8362 | Mayor and 18 Aldermen | All | Committee on Finance | <p>Senior sewer exemption; change in procedures; Code § 3-12-050. This ordinance would amend the municipal code to add to the qualifications for sewer exemption for seniors. Currently, seniors may qualify for the exemption, regardless of whether they owe money on their sewer or water bill; this ordinance would require an applicant for the exemption to either pay the outstanding balance, or at least enter into (and remain current on) a payment plan to pay off the balance.</p> <p>The ordinance would also expand acceptable proof of age and residency for an applicant to qualify for the exemption. Acceptable forms of identification would be a birth certificate (the only currently acceptable form); a valid driver's license; a state-issued ID; a Matricula Consular (a form of identification, issued by another government, for residents who are non-citizens). Acceptable proof of residency would include utility bills, property tax bills, deeds, or a declaration issued by a trustee. This ordinance also grants discretion to the comptroller to authorize and accept alternate forms of proof.</p> <p>Information for the application process would be made available In English and Spanish. If the comptroller is to terminate any senior exemption for the property, written notification of the termination of the exemption would have to be sent to the applicant.</p> |
| O2014-8630 | Mayor; Ald. Burke (14); and Thomas (17) | All | Joint Finance/Human Relations | <p>Amendment of Municipal Code Chapters 2-120 and 2-160; Sexual Assault Victim's Bill of Rights. This ordinance would require all universities and colleges with campuses in the city to adopt a uniform "Sexual Assault Victim's Bill of Rights" to inform students of their legal rights. Among those rights are "their</p> |

| Clerk's # | Sponsor(s) | Ward(s) Affected | Assigned to Committee on | Topic(s); Key Word(s); Code §; Summary |
|---------------------------|---|---------------------|-----------------------------|--|
| O2014-8630 (continued) | | | | <p>Amendment of Municipal Code Chapters 2-120 and 2-160; Sexual Assault Victim's Bill of Rights (continued)</p> <p>right to contact campus, local and or state law enforcement" about a sexual assault. The ordinance also would also require universities and colleges to inform "both the accuser and the accused that they have the same opportunity to have others present at their hearings, and both shall be informed of the outcome of any campus disciplinary hearing." The universities and colleges would be required to widely publicize the Bill of Rights to their respective campus communities. Each school would customize its own bill to include a description of on-campus resources for students.</p> |
| O2014-8347 | Mayor; Ald. Mitts (37); Burnett (27); and 7 others | All | Human Relations | <p>Amendment of Municipal Code Chapter 2-160; Employment Discrimination; Criminal History. This ordinance would amend Chapter 2-160 (the Chicago Human Rights Ordinance) regarding employment discrimination based on criminal history. The amendments would prohibit employers within the city of Chicago from inquiring about an applicant's criminal history until after the applicant has been determined qualified for the relevant position and notified of selection for an interview, or, if there is no interview, until after a conditional offer of employment has been extended to the applicant. This prohibition would not apply if federal or state law excludes applicants with certain criminal convictions, if a standard fidelity bond is required for the position or the position requires a license under the Emergency Medical Services (EMS) Systems Act. A criminal conviction standing alone would not immediately disqualify the applicant from employment. Instead, the decision on whether to employ the applicant would have to be based on consideration of the nature of the offense and sentencing, the number of convictions, the length of time passed and the applicant's age at the most recent conviction, relationship between the crime and nature of the position, any evidence of rehabilitation,</p> |

|---------------------------|---|---------------------|--|---|
| O2014-8347 (continued) | | | | <p>Amendment of Municipal Code Chapter 2-160; Employment Discrimination; Criminal History (continued)</p> <p>the level of cooperation from the applicant and any other relevant information. In the event that any employer will deny employment based on criminal history, the employer would have to inform the applicant of this basis at the time he is informed of the decision. Any licensee in violation of this provision would be subject to license discipline.</p> |
| O2014-8373 | Mayor and Ald. Balcer (11); Burke (14); Solis (25) | All | Committee on Zoning, Landmarks and Building Standards | <p>Amendment of Municipal Code Section 2-14-155 modifying defenses to building code violations regarding smoke and carbon monoxide detectors. Currently, the City's administrative hearings process provides that, in many cases, the property owner is to be found not liable if, at the first hearing, the owner shows that the alleged violation has been corrected. This ordinance eliminates that affirmative defense in cases involving smoke alarms in the following property uses: residential, bed-and-breakfast, live/work units, partitioned rooms in institutional buildings; hotel rooms over 4 stories; public assembly units; and any building where fire detectors are required. The ordinance would also eliminate the affirmative defense in cases involving inadequate (or absent) carbon monoxide detectors.</p> |
| O2014-8352 | Mayor and Ald. Beale (9); Thompson (16); and 17 others | All | Joint: License and Consumer Protection/ Transportation and Public Way | <p>Amendment of Municipal Code Chapters 9-104 and 9-112; Taxicab Centralized Electronics Dispatch. This ordinance is designated the "Taxi Driver Fairness Ordinance of 2014."</p> <p>Chapter 9-104 is amended by decreasing the administrative fine that the Department of Business Affairs and Consumer Protection Commissioner may impose on a taxi licensee for a traffic code violation or license violation, from \$1,000 to \$400.</p> |

| Clerk's # | Sponsor(s) | Ward(s) Affected | Assigned to Committee on | Topic(s); Key Word(s); Code §; Summary |
|---------------------------|----------------------------|---------------------|---|--|
| O2014-8352 (continued) | | | | <p>Amendment of Municipal Code Chapters 9-104 and 9-112; Taxicab Centralized Electronics Dispatch (continued)</p> <p>The tiered lease structure in § 9-112-230 would be amended to drop to Tier 3 (the lowest lease caps), any Tier 1 and 2 vehicles that are over 1 model year old. Currently, the tiers are defined by miles per gallon rating only; Tier 3 has been reserved for lower-mileage (24 mpg or lower) vehicles. Consecutive 12-hour leases to the same driver would be considered a 24-hour lease (lower than combining two 12-hour leases).</p> <p>The most significant amendment to this ordinance is the addition of § 9-112-565 regarding Taxicab centralized electronics dispatch. This new section would authorize the commissioner to “establish a taxicab centralized electronics dispatch system for dispatching taxicab vehicles through an Internet-enabled application, digital platform or telephone.” The commissioner would also be authorized to require every licensee’s taxicabs to participate in the system, and could allow dispatch fees to be assessed by rule to cover costs licensees incur to participate. The system would have verifiable records prescribed by the commissioner and the commissioner could adopt rules and regulations for the administration of this section.</p> |
| O2014-8402 | Mayor, Ald. Reilly (42) | 42 | Zoning, Landmarks and Building Standards | <p>Zoning; new Chicago River Corridor Special Sign District; Code §§ 17-12-1005-D, 17-12-1004 (new). This ordinance would create a special sign district along the Chicago Riverwalk. The new district, defined in proposed § 17-12-1004, would be all lots adjacent to the Chicago River from Roosevelt Road to Kinzie, and from Kinzie to Lake Shore Drive, and all lots fronting Wacker Drive from Lake Street to Lake Shore Drive. § 17-12-1005-D would be amended to prohibit more than one sign on a high rise building, and to raise the threshold for qualifying as the “principal tenant” of a high rise, from 30% of total floor area</p> |

| Clerk's # | Sponsor(s) | Ward(s) Affected | Assigned to Committee on | Topic(s); Key Word(s); Code §; Summary |
|---------------------------|------------|---------------------|-----------------------------|--|
| O2014-8402 (continued) | | | | <p>Zoning; new Chicago River Corridor Special Sign District; Code §§ 17-12-1005-D, 17-12-1004 (new) (continued)</p> <p>parallel to the property line, and could not project more than 12 inches from the building wall. The following types of signs would be prohibited: banners; neon signs; flashing signs; dynamic image display (changing image) signs; painted wall signs; off-premise signs. Building signs in the new district could be back-lit, but otherwise could not be illuminated.</p> <p>Show windows in the new district could display only merchandise available for sale within the building. Signs in a show window could not exceed 15% of the window area; but window lettering less than 2 inches high and limited to such information as building address, hours of operation, product information, and logos would not be counted toward the maximum percentage. Awning signs would be limited to building name and address, could not be illuminated, and could not contain lettering in excess of 9 inches in height or width; lettering would not be allowed to extend past the awning surface. Awnings would have to be retractable, without vertical support, and could not extend more than 6 feet over the sidewalk. Temporary signs advertising a grand opening or special sale could be posted for no more than 6 weeks. Temporary signs on construction barricades could be maintained for up to 24 months (which could be extended by the Zoning Administrator). Such signs could not be placed more than 20 feet above grade, and could not exceed 8 feet in height. Temporary signs would not count toward the building's sign coverage limit.</p> <p>The code amendment would prohibit any city official from introducing, and any city council committee from considering, any authorization ordinance for a sign within the Corridor that does not comply with the proposed new regulations.</p> |

| Clerk's # | Sponsor(s) | Ward(s) Affected | Assigned to Committee on | Topic(s); Key Word(s); Code §; Summary |
|-------------|-------------------|---------------------|---|--|
| SO2014-8097 | Ald. Hairston (5) | All | Workforce Development and Audit | Amendment of Municipal Code § 2-92-330; Contract Enforcement; Residency; Minimum Percentages of Work Hours. § 2-92-330 of the Municipal Code requires that, on any City construction project with an estimated contract value of \$100,000 or more, City residents must perform at least 50% of the work, and project area residents must perform at least 7.5%. This ordinance would amend § 2-92-330 to emphasize that the project's MBE/WBE/Chicago & Project Area Residency Requirements <i>should</i> be evaluated several times while a project is still active (frequency not specified, probably because each contract is different). This amendment would also require the Chicago Department of Transportation to initiate a rating system, similar to one used by IDOT, which would rank companies according to their overall performance, including their effort to increase MBE/WBE percentages and other hiring goals. |
| O2014-8095 | Ald. Sawyer (6) | All | Committee on Transportation and Public Way | Traffic code; parking and compliance violations (Code chapter 9-100); red light cameras (chapter 9-101); speed cameras (Code chapter 9-102); review and sunset provisions. This ordinance would add new sections to the above chapters, each new section providing for the City Council's review of the traffic enforcement through the administrative hearings process. The review would conclude by October of 2017. If the City Council failed to re-authorize the existing programs by December 31, 2017, the City's programs for administrative adjudication of parking and compliance (vehicle condition) violations would terminate; those violations would then shift to the Circuit Court of Cook County. Failure to reauthorize the red light camera program and the speed camera program would eliminate the camera programs entirely. These are so-called "sunset" provisions. The purpose of the time between end of review and possible sunset is to allow the City Council to identify revenue sources from which to replace the money lost by elimination of these programs. |

| O2014-8090 | Ald. Burke (14) and Zalewski (23) | All | Aviation | <p>Chicago O'Hare International Airport; infectious disease screening; new Code § 2-20-050. This ordinance would direct the Commissioner of the Department of Aviation and the Commissioner of the Department of Public Health to establish an infectious disease screening program at O'Hare International Airport. All passengers arriving from international destinations would be required to complete an infectious disease behavioral screening as prescribed by the Commissioner of Public Health. If the screening indicates that the passenger is at risk, the passenger would be isolated for further testing. A passenger arriving from an international destination and showing symptoms of an infectious disease would be required to complete an infectious disease medical screening by a medical professional, as prescribed by the Commissioner of Public Health. The cost of these programs would be undertaken by the airline industry.</p> |
| O2014-8085 | Ald. O'Shea (19); Quinn (13); Zalewski (23) | All | Housing and Real Estate | <p>Registration of Residential Buildings; registration procedures; aldermanic notification; Code §§ 13-10-010, 13-10-040, 13-10-080. Currently, only buildings containing 4 or more dwelling units (excepting condo and co-op buildings) are required to be registered; this ordinance would expand the registration requirement to include smaller buildings <i>only</i> in instances where 5 or more such buildings are under common ownership.</p> |

|---------------------------|------------|---------------------|-----------------------------|--|
| O2014-8085 (continued) | | | | <p>Registration of Residential Buildings; registration procedures; aldermanic notification; Code §§ 13-19-010, 13-10-040, 13-10-080 (continued)</p> <p>Currently the registration fee (\$10 per year) is due on February 1; so an owner who qualifies in March through January (by purchase, construction or conversion of a qualifying building) could go for months without needing to register. This ordinance would require registration within 15 days after meeting the legal requirement, and maintain the annual renewal date of February 1. No change in the annual fee. The ordinance would also require the Commissioner of Buildings, who is responsible for collecting the fees and maintaining the registration records, to notify the appropriate alderman of a registration in his/her ward.</p> <p>The ordinance would add definitions of “dwelling unit” and “rental unit” as used elsewhere in the Code. It would also change the current penalties for violation of Chapter 13-10’s provisions. Current penalties for failure to register are minimum \$50, maximum \$200 for a first offense, and \$200 minimum, \$500 maximum for second and subsequent offenses. The ordinance would raise the penalty for a first failure to register to minimum \$100, maximum \$500, and to \$500 minimum, \$1,000 maximum for second and subsequent violations.</p> <p>The penalty for providing false information would also be changed from the current \$100 minimum, maximum \$500 to a minimum \$500, maximum \$1,000 plus 3 times the City’s actual losses caused by the falsification, plus court costs and attorney’s fees related to the prosecution.</p> <p>Effective 10 days after passage and publication.</p> |

| Part 2: Non-codified Ordinances | | | | |
| O2014-8425 | Mayor | 27 | Finance | <p>Bond inducement ordinance; affordable housing; "Villages of Westhaven" project; WHP Village LLC. This ordinance would announce the City's intention to issue tax exempt, multi-family housing revenue bonds (or other tax-exempt debt instrument) in a principal amount not to exceed \$49 million dollars, to provide financial assistance for the Westhaven Villages Project. The project would consist of 199 residential rental units in 20 buildings located generally between West Lake Street (200 N), North Damen Avenue (2000W), West Maypole Avenue (134 N) and North Leavitt Street (2200 W). Proceeds of the bonds would be loaned to the developer, WHP Village LLC, to help pay for acquisition of a leasehold interest, rehabilitation and equipping of buildings that would comprise the development.</p> <p>Passage of the inducement ordinance would allow the developer to be reimbursed, from bond proceeds, for project-related expenses incurred as far back as 60 days prior to passage of the ordinance.</p> <p>Terms and conditions of the contemplated bonds are not described. The eventual transaction, if it comes to fruition, may include an assignment of low-income housing tax credits: the Mayor's letter transmitting the ordinance mentions the tax credits, but the ordinance itself does not.</p> |
| O2014-8642 | Mayor | All | Budget and Government Operations | <p>2014 Annual Appropriation Ordinance; grant funds, Fund 925; Department of Public Health. This ordinance would increase the appropriation for the Department of Public Health's Immunization Billing Services from \$0 to \$500,000, through a grant from the U.S. Department of Health and Human Services.</p> |

| O2014-8011 (see also O2014-8305, below) | Landmarks Commission | 2 | Committee on Zoning, Landmarks and Building Standards | <p>Historical landmark designation for Polish National Alliance Building at 1514-1520 West Division Street. This ordinance would establish a landmark designation for the Polish National Alliance Building. The building was constructed in 1938 and was occupied by the Polish National Alliance (PNA), from 1938-1974. PNA was among Chicago's largest and most influential Polish-American organizations, and its headquarters played an important role in the community, serving as one of the cornerstones of Chicago's "Polish Downtown" on the Northwest Side. The building is an excellent and well-preserved example of an ethnic fraternal organization facility, important to the cultural development of Chicago in the late ninetieth and early twentieth century.</p> <p>The building is a 1930s-era Art Deco-style office building, with symmetry, hard-edged massing, both traditional ornamentation and non-historic geometric and floral details, with a façade of Indiana limestone walls and ornamental metal spandrels. The building is consistent with Section 2-120-630 of the Municipal Code, and has significant historic, community, architectural, or aesthetic interest or value.</p> |
| O2014-8305 (see also O2014-8011, above) | Mayor | 2 | Committee on Finance | <p>Support of Class L tax incentive for property at 1514 West Division Street. This ordinance would authorize Class L Property Tax Incentives under the Cook County Property Classification Ordinance. Class L incentives are given to encourage the preservation and rehabilitation of landmark and historically significant commercial, industrial and income-producing non-for-profit buildings. 1514 West Division is a historic building known as the Polish National Alliance building.</p> <p>The owner, 1514 W. Division, LLC, proposes to rehabilitate the building and to use it as the headquarters for Studio Gang Architects, with a portion of the building in the basement and first floor levels as restaurant or retail space. | O2014-8324 (continued) | | | | Support of Class L tax incentive for property at 360 N. Michigan Avenue and 83-87 East Wacker Drive (continued) Under the county's classification ordinance, when requirements are met, assessment is reduced to 10% of market value for the first 10 years, 15% in the year 11, 20% in the year 12, and returns to regular assessment level of 25% in year 13. |
| O2014-8100 | Ald. Sawyer (6) | All | Transportation and Public Way | Illegal drug use; drug testing; Transportation Network drivers. Currently, transportation network providers operating in the city have no obligation to test their drivers for illegal drug use. This ordinance would require that all drivers be tested once a year for the presence of illegal drugs in the body. In order to renew a transportation network provider license, the licensee must certify that each transportation network driver with whom the licensee is affiliated has passed a test for the presence of illegal drugs in the body within the time that the driver has been affiliated with the licensee. If a driver tests positive for illegal drugs the driver would be barred from operating a vehicle for hire for one year, at which time the driver would be required to submit to and pass another drug test. A transportation network provider that hires a driver who has tested positive for illegal drugs within the previous twelve months would be subject to a fine of not less than \$500 and not to exceed \$1,000 for each instance. Each day of such violation would constitute a separate offense. Please note: Although not designated as an amendment to the Municipal Code, this ordinance, if passed, could be appropriately placed in Chapter 9-115, which defines and regulates Transportation Networks (Uber X, Lyft, Sidecar, etc.). |

| 3.a Intergovernmental Agreements | | | | |
| O2014-8677 | Mayor and Ald. Moreno (1); Balcer (11); Thomas (17); Ervin (28); Suarez (31); Mitts (37) | 1, 11, 17, 28, 31, 37 | Finance | <p>Intergovernmental Agreement; Chicago Board of Education ("CPS"); "Social Impact Bonds"; "Pay for Success" program; IFF. Although the Mayor's letter transmitting this ordinance refers to issuance of so-called "Social Impact Bonds," the ordinance does not mention any bond issuance of any type. The ordinance would authorize a multi-party transaction aimed at providing financial assistance to CPS for pre-kindergarten programs in certain schools (designated as "Child-Parent Centers" or "CPC") that serve at-risk children, in order to increase children's readiness to learn when they enter kindergarten. The programs, if successful, are expected to reduce costs for student retention, individual intervention, special education and English language training in later years. The programs are called, collectively, the "CPS CPC Program." The transaction is modeled on so-called Social Impact Bonds or Pay-for-Success bonds (general descriptions available on the internet).</p> <p>Funding for the Program comes from a Lenders' Committee consisting of the Goldman Sachs Social Investment Fund (an affiliate of the Goldman Sachs Bank), providing 44%; Northern Trust Company, providing 32%; and the Pritzker Family Foundation, providing the final 24%. This committee will lend a total of approximately \$17 million to IFF Pay For Success I LLC ("Project Coordinator"), an Illinois limited liability company established by IFF (formerly Illinois Facilities Fund), an Illinois not-for-profit with extensive experience in helping other not-for-profits to raise and to manage funds. A related agreement, not part of this ordinance, will detail the timing and mechanics of the relationship between the Lenders' Committee and the Service Provider.</p> <p>The ordinance would authorize an agreement between the City and the Project Coordinator, and an intergovernmental agreement between the City and CPS,</p> |

|---------------------------|------------|---------------------|-----------------------------|---|
| O2014-8677 (continued) | | | | <p>Intergovernmental Agreement; Chicago Board of Education ("CPS"); "Social Impact Bonds"; "Pay for Success" program; IFF (continued)</p> <p>to accomplish the following:</p> <p>The Project Coordinator will accept money from the Lenders' Committee and in turn will lend money to the City, to be granted to CPS for the costs of the CPS CPC Program. The money will be maintained separately from the general operating funds of both the City and CPS to assure proper application of the funds. The CPS CPC Program will provide intensive services to pre-kindergarten children at 6 selected schools in the first year (expansion to more schools in later years). The services are intended to strengthen English language skills, socialization skills, and otherwise prepare the participating children to learn effectively in kindergarten. The benefits of this early preparation are expected to carry over through grade 12, and reduce the need for Individual Education Plans (IEP) for participating children in later years. This, in turn, is expected to reduce educational costs incurred by CPS. Measurements of Program effectiveness will be determined by testing the children after kindergarten and after 3rd grade (literacy component).</p> <p>The loans – from the Project Coordinator to the City, and from the Lenders' Committee to the Project Coordinator – become payable only when, if, and to the extent that the CPS CPC Program proves successful. Otherwise, the City need not repay the Project Coordinator. Success will be determined by an independent, third-party evaluator (not party to either of these agreements). The evaluation process is described in the agreements, and is quite complex.</p> <p>The City's responsibility for repayment will be no more than \$4.5 million. Repayment, if due, would begin no earlier than 2016 and end no later than</p> |

| O2014-8677 (continued) | | | | <p>Intergovernmental Agreement; Chicago Board of Education ("CPS"); "Social Impact Bonds"; "Pay for Success" program; IFF (continued)</p> <p>2021. In no event can the repayment obligation become a general obligation of the City; if the funds for repayment are not appropriated, the City cannot be forced to repay. The City's Department of Family and Support Services would perform the City's functions under these agreements.</p> <p>Please Note: The terms of the agreements may not be final as presented: the ordinance contains language allowing the Commissioner of Family and Support Services to execute both agreements in substantially the form attached to the ordinance, "but with such revisions in text as the Commissioner shall determine are necessary or desirable, the execution thereof by the Commissioner to evidence the City Council's approval of all such revisions."</p> |
| O2014-8102 | Mayor | 10 | Committee on Finance | <p>Intergovernmental agreement; Chicago Park District; Steelworkers Park; 3801 East 87th Street; TIF funds; Southworks Industrial TIF. This ordinance would authorize an intergovernmental agreement between the City and the Chicago Park District for the construction of Steelworkers Park, a 16.5-acre park located at 3801 E. 87th Street. The Park District owns the property, which is located within the Southworks Industrial Redevelopment Area, and the city is authorized under the provisions of the TIF agreement to finance projects that eradicate "blight conditions" as defined in the TIF statute. The site is part of the former U.S. Steel Southworks complex.</p> <p>DPD is to make \$676,000 of the funds from the Southworks TIF Increment available to the Park District for the following renovations to the park: fencing, debris removal, utilities, a climbing wall, and other basic renovations. The project is to be completed within 36 months of execution of the agreement.</p> |

|------------|------------|---------------------|-----------------------------|---|
| O2014-8103 | Mayor | 11 | Finance | <p>Intergovernmental Agreement; Public Building Commission (PBC); stabilization of City-owned property; 4146 South Halsted; TIF funding; Stockyards Annex TIF area. This ordinance would authorize the Commissioner of the City's Department of Planning and Development (DPD) to execute an intergovernmental agreement with the PBC. Under which the PBC would perform work necessary to stabilize the former Stockyards Bank Building, located at the above address. The property is located within the Stockyards Annex TIF Redevelopment Area.</p> <p>The form of the contract is attached to the ordinance. The PBC would be responsible for the contracting process (specifications and selecting one or more contractors for the work), and would oversee the work. The actual scope and nature of the project, as well as its budget, would be determined by the City's Budget Director. The Budget Director and DPD would have the City's authority to approve change orders.</p> <p>In typical PBC projects, the local government retaining the PBC turns title of the subject property over to the PBC, which then issues bonds payable from rent payments of the using/client local government. In this instance the City will retain title to the bank building, and will pay the PBC's project-related expenses with Stockyards Annex TIF funds. The total estimated PBC budget for the project is under \$196,000 (exhibit difficult to read).</p> <p>The ordinance would allow the PBC and DPD signatories to add other terms and necessary documents to the basic agreement (Ordinance Section 2).</p> |

|------------|------------|---------------------|--------------------------------------|--|
| O2014-8638 | Mayor | 16 | Finance | First Amendment; Intergovernmental Agreement; Public Building Commission (PBC); Construction of Lindblom Math and Science Academy Parking Lot ("Project"); TIF funding; 63rd/Ashland TIF. In November 2013 the City Council approved an intergovernmental agreement with the PBC for the above Project. This ordinance would amend that agreement to increase the amount of TIF funds from the 63 rd /Ashland TIF Redevelopment Area increment for the purpose of acquiring the site and constructing the project. The amount will be increased by \$1,968,000, from maximum \$500,000 to maximum \$2,468,000. After land acquisition and construction costs are finalized, and prior to incurring any costs that exceed \$2,100,000, PBC may request (if needed) written approval of the City's Office of Budget and Management and the Department of Planning and Development (as successor to the former Department of Housing and Economic Development) for the release of \$368,000 in additional Project funds. |
| O2014-8120 | Mayor | 39 | Committee on Housing and Real Estate | Transfer of City-owned property to Chicago Park District; Eugene Field Park; Open Space Impact fees; Ordinances authorizing expenditure of Open Space Impact Fee Funds; 5101 North Lawndale Avenue; 5051-5057 North Monticello Avenue. This ordinance would authorize the transfer of the above 3 parcels to the Park District for the expansion of Eugene Field Park. Currently, the Lawndale Avenue property is part of a recreational trail; one of the Monticello properties was acquired to create a buffer between the Chicago River and nearby homes, while the other was acquired to create open space. In other words, the City did not acquire these properties for private development or for City use. The Park District would pay the nominal fee of \$1 for the three parcels. The City would pay the District \$135,949 in Open Space Impact fees to expand park land and the river walk bike trail along the North Branch of the Chicago River, to create a landscaped buffer along the North Branch of the Chicago River for flood plain management and to develop the remaining |

The resolution recites various complaints about inadequate cleaning of schools and substandard materials. Finally, the resolution states that the subject contracts have reduced minority-owned and women-owned business components, and that much of the money spent on the contracts will leave the City of Chicago and the State of Illinois. It calls for hearings, with the participation of CPS officials and representatives of Aramark and SodexoMagic to answer concerns about MBE/WBE participation and the effects of these contracts within Chicago's Hispanic and African-American communities.</p> |
| R2014-714 | Mayor; Ald. Austin (34); Dowell (3); and 4 others | All | Budget and Government Operations | <p>Call for Hearings; Postal Service Reform Legislation. This resolution emphasizes that the U.S. Postal Service is required by Congress to pre-fund future retiree health benefits for 75 years, requiring \$5.5 billion dollars to be paid annually. As a result, health benefits for postal retirees are fully funded with billions of dollars in excess. This resolution urges United States Senators Dick Durbin and Mark Kirk to support postal reform legislation designed to stabilize the U.S. Postal Service's finances by reforming or eliminating future retiree health financing policies in order to avoid unnecessary service cuts by securing the continuance of 6-day mail delivery, strengthening the U.S. Postal Service's mail processing, retail and last-mile delivery networks, and retaining door to door delivery for the 30 million plus households and businesses that rely upon it. This resolution calls for hearings in the Committee on Budget and Government Operations for the purpose of further investigating postal service reform.</p> |

| Clerk's # | Sponsor(s) | Ward(s) Affected | Assigned to Committee on | Topic(s); Key Word(s); Code §; Summary |
|-----------|---|---------------------|---|--|
| R2014-705 | Ald. Dowell (3); Harris (8); Thompson (16); and 2 others | All | Budget and Government Operations | Call for Hearings; Postal Service Reform Legislation. This resolution is identical to the previous one, in urging Senators Durbin and Kirk to support postal reform legislation. However, it does not call for hearings in the Committee on Budget and Government Operations. |
| O2014-712 | Ald. Laurino (39) and Graham (29) | All | Finance | Call for Hearings; Domestic Violence; Additional Resources for victims. In spite of the resources available to victims of domestic violence in the city of Chicago, there is currently no assured way for a victim to obtain an order of protection during overnight hours and on weekends. This resolution calls on social service agencies, advocacy groups, representatives of the Circuit Court of Cook County, representatives of the Cook County Government, the State's Attorney of Cook County and appropriate City departments to appear in front of the Committee on Finance. These hearings will discuss ways in which City resources and the services of the Circuit Court can be better coordinated to address the problem of domestic violence, and give special consideration to the need for one or more 24-hour courtrooms within the City to hear domestic violence cases and to issue orders of protection to victims. |
| R2014-710 | Ald. Beale (9) and 5 others | All | Public Safety | Electronic monitoring of criminal offenders and suspects. This resolution states that electronic monitoring of the location of criminal offenders has increased over the last decade, allowing the offenders to attend school or work while saving taxpayer money and reducing over-crowding in jails. The resolution also states that standards for monitoring the offenders are not uniform, and cites an instance of an offender charged with committing a rape while sentenced to home monitoring, but not being monitored at the time of the alleged crime. The resolution calls on the Committee on Public Safety to hold a hearing in order to receive recommendations on the establishment of uniform standards and protocols for the administration of electronic monitoring of offenders. |

Legislation Introduced at City Council Meeting of October 8, 2014

Note: This summary does not include local liquor moratoriums, routine traffic matters, zoning map changes, grants of privilege in the public way, waivers, refunds or routine SSA matters.
Ward identifications are based on the map passed September 2012, as amended.

| Clerk's # | Sponsor(s) | Ward(s) Affected | Assigned to Committee on | Topic(s); Key Word(s); Code §; Summary |
|-----------|-------------------------------------|---------------------|---|--|
| R2014-711 | Ald. Mitts (37) and 46 others | All | Human Relations | Expungement of criminal records. This resolution states that if a person in Illinois is arrested but not prosecuted, or is prosecuted but found not guilty, the arrest stays on the person's record unless they take affirmative steps to have the record expunged. The resolution goes on to state that the expungement process can be daunting and expensive. The resolution goes on to state that individuals who were arrested but never prosecuted, or prosecuted but found not guilty, would benefit if the Criminal Investigation Act were amended to make it easier or less costly to have one's records expunged. The resolution calls on the Committee on Human Relations to hold an informational hearing on the matter. |
| R2014-703 | Ald. Burke (14) and Cochran (20) | All | Aviation | Aviation; call for hearings on improved air traffic control for Chicago airports. This resolution cites the disruption and economic cost of the alleged arson at the Federal Aviation Administration (FAA)'s Aurora, IL, air traffic control facility, and states that there are currently no backup plans in place requiring flight-plan information to be entered by hand. The resolution calls on the Committee on Aviation to invite the Administrator of the FAA or his delegate to testify to the Committee regarding the situation in Aurora and contingency plans to prevent future traffic disruptions at O'Hare and Midway airports. |
| R2014-707 | Ald. Beale (9) | 9 | Committee on Economic, Capital and Technology Development | Support of renewed Class 6(b) tax incentive for property at 801 East 107th Street. This resolution would authorize Class 6(b) (industrial structure) tax incentives to encourage industrial development, rehabilitation of existing industrial structures, and industrial reutilization of abandoned buildings, under the Cook County Real Property Classification ordinances, for 801 East 107 Street. |

| Clerk's # | Sponsor(s) | Ward(s) Affected | Assigned to Committee on | Topic(s); Key Word(s); Code §; Summary |
|--------------------------|---------------------------------|---------------------|--|---|
| R2014-707 (continued) | | | | <p>Support of renewed Class 6(b) tax incentive for property at 801 East 107th Street (continued)</p> <p>The owner of this property is Dutch Farms, Inc., an Illinois corporation, which has substantially rehabilitated an approximately 122,400 square foot industrial facility at the location, and the applicant has filed application for a renewal of the Class 6(b) classification. The exact use of the property is not specified in the ordinance.</p> <p>Under the county's classification ordinance, when requirements are met, the subject property would be assessed at 10% of its market value for the first 10 years and any subsequent 10-year renewal period; if the incentive is not renewed, the assessment rate would rise to 15% of the market value in year 11, 20% in year 12 and 25% of market value thereafter.</p> |
| R2014-706 | Ald. Pawar (47) and 4 others | All | Committee on Transportation and Public Way | <p>Call for City Council support of CrossRail Chicago and premium express train service between O'Hare International Airport and McCormick Place. This resolution first outlines the economic benefits, increased transportation options, and employment opportunities to come from the establishment of passenger train service between O'Hare International Airport and McCormick Place. The proposed line would not only link the airport to McCormick Place, but also link various Metra lines with Union Station, providing an alternative rapid option for transportation to and from the airport. The resolution calls for consideration of the use of a proposed rental car facility site at O'Hare Airport to also include a rapid transit rail station.</p> <p>This resolution expresses support for the rail line, calls for the Department of Aviation to build this rail line into the plan for the rental car facility, to seek sources of funding, to solicit Request for Information proposals. The resolution</p> |
